

ZERO FOIL TO LANDFILL

CERTIFICATE OF PARTNERSHIP

Presented in recognition of a commitment to Foilco's Zero Foil 2 Landfill initiative and continued commitment to eco-conscious practices within the print industry.

JELLYFISH LIVEWIRE Ltd

This certification declares that the above named company have officially partnered with Foilco and their Zero Foil 2 Landfill waste management initiative, in collaboration with BPIF and Prissm Environmental.

The above named company will uphold their part of the partnership by following all the waste management guidelines as agreed to in the Zero Foil 2 Landfill Terms and Conditions document. As part of this arrangement, you are permitted to use the Foilco Zero Foil 2 Landfill logo on your digital platforms (website, social media) and any documentation that relates to or includes services covering foil printing.

This certification was awarded on

13th May 2019
